### Officers reports

#### *Vice chair report :*

The referee clinic that was a success even if not well attended. And we need to host more of them.

#### *Treasurer report :*

In the bank \$10,364.40, balance money after outstanding debt : \$10,098.36

#### *Chair report :*

TxState might be interested to co host the Poujardieu and maybe the Bobcat. However we have to see what the regulations are in 2022 for using the TXstate University Jower center. UT Austin fencing club is very small and they are not planning a Longhorn tournament yet. We are in the process of reinstating the non profit status with the IRS. And the Maysel Estate is waiting for us to be cleared.

The division wishes to organize an armorer clinic with eventually the help of Suzy Grace. Oscar offered to do one on basic weapon armory.

Same for a coaching clinic with Vinnie Bradford and some coaches from the division. A motion was proposed to reelect the board by Will Darlrymple , approved by Don and second by Oscar.  
The board was reelected.

Meeting was adjourned at 11:36 am central time
