Chair Report

Short commentary by the Chair on the status of the SOTXDIV. On the whole, in fair shape. The Pouj was held and was not in the red. Participant numbers were NOT what we had hoped for. Pre-paid registration will be the norm for all upcoming SOTXDIV fencing events.

We are clear with the State of Texas in reference to our fines; some paperwork needs to be submitted to the IRS, though and that will be done shortly.

We are about to have a Coach's clinic later in the month (Gary van der Wege being the instructor).

Treasurer report

Will sent an email with ideas to improve the division
