Officers reports

Vice chair report :

May Summer national qualifier in TFA : about 25 fencers participated

June : Referee clinic lead by Gary Van Der Wege at his club in Kyle 25 participants.

Discussion with the Golf Coast division about the the request from Grace Buchanan's club from Brownsville to join the south Texas. The gulf coast voted and accepted to review the border of our division.

8 tournaments were held in our division this season (askfred)

Treasurer report :

In the bank we have \$12478.18 ,

Chair report :

Visit to the Division club to show our face especially to Round Rock fencing club.

TxState might be interested to co host the Poujardieu and maybe the Bobcat. However we have to see what the regulations are in 2022 for using the TXstate University Jower center. UT Austin fencing club is very small and they are not planning a Longhorn tournament yet. We are in the process of reinstating the non profit status with the IRS. And the Maysel Estate is waiting for us to be cleared.

The division wishes to organize an armorer clinic with eventually the help of Suzy Grace. Oscar offered to do one on basic weapon armory.

Same for a coaching clinic with Vinnie Bradford and some coaches from the division. A motion was proposed to reelect the board by Will Darlrymple , approved by Don and second by Oscar.

The board was reelected.

Meeting was adjourned at 11:36 am central time
